Organizer's Profile

The Global Peace Foundation India

The Global Peace Foundation (GPF) is an international non-sectarian, non-partisan, nonprofit organization, which promotes an innovative, values-based approach to peace-building, guided by the vision of One Family under God. GPF engages and organizes a global network of public and private-sector partners to develop community, national, and regional peace-building models as the foundation for ethical and cohesive societies.

Vision: All Humanity is One Family under God. The Global Peace Foundation affirms the importance of universally recognized principles and shared values as essential to building social cohesion within nations and the global community.

Among these principles are:

- All people have intrinsic value, dignity, and fundamental rights, as endowed by the Creator.
- Every person has, as his or her highest attribute, a spiritual and moral essence.
- Our human nature finds its fullest expression and meaning in relation to others.
- People develop their innate potential through their choices and actions. Freedom and responsibility are intrinsically linked.

Understanding our shared identity and common aspirations as members of the human family establishes the basis for lasting peace. It lays the foundation for respect, empathy and shared responsibility beyond the boundaries of ethnicity, religion, and nationality through its pioneering initiatives to foster peace and social cohesion in 15 countries, the Global Peace Foundation seeks to:

- Build broad awareness of the central importance of universal principles and shared values as the basis for social cohesion and peace building.
- Develop a multi-sector movement of moral and innovative leaders who work in partnership to address the critical issues of conflict and corruption in communities, nations, and regions.
- Empower youth to become ethical global citizens by strengthening families as the primary institution of instilling values, and by promoting an education culture that fosters good character and encourages creativity
- Build comprehensive, collaborative models of sustainable community and national development that enable all to achieve fulfillment and material well-being.
- Promote and celebrate persons and programs that contribute to reconciliation, mutual respect, harmony and cooperation among all people as One Family under God.

Our activities are organized around the following goals:

1. Social Cohesion and Peacebuilding
2. Moral and Innovative Leadership
3. Empowering Youth
4. Models of Development

Dr. B.R Ambedkar University of Social Science, Mhow, Madhya Pradesh (BRAUSS)

Government of Madhya Pradesh by an ACT No. 2 of 2016 has set up Dr. B.R. Ambedkar University of Social Sciences, published in Madhya Pradesh Gazette (Extraordinary) on 13th January 2016. Dr. B R Ambedkar University of Social Sciences (BRAUSS) is the first university of social sciences in the country. The University is a unique model of integration of social sciences perspectives and approaches with scientific and technological advancement for socio-economic development and educational excellence of scheduled castes, scheduled tribes and other backward classes. The University aims at accelerating socio-economic development and educational excellence among marginalized sections for their upliftment and empowerment; and confluence of new technologies and latest modules of social sciences with ideology of Dr. B.R. Ambedkar for alleviation and eradication of social evils, social disparities & injustice and establishment of egalitarian society. The University promotes socio-economic and educational development of marginalized sections of society by imparting higher education, research, extension & training in social sciences & allied subjects including- Constitution & Democracy- national integration, democratic decentralization & local self governance, Social & Educational Empowerment- egalitarian social order, secularism, women empowerment & social emancipation, religious & social harmony, human dignity, family & child welfare, quality higher education. Economic & Financial Empowerment - among the weaker sections through capacity building & entrepreneurship development, welfare economics, and policy reforms; Law & Social Justice-equality of status & opportunities, liberty of thought, expression, belief, faith & worship, fraternity assuring dignity of individual & unity and integrity of nation, ensuring social justice, protecting civil & human rights; Environment & Agrarian Development-conservation of water & natural resources, ecological harmony & interlinking of rivers, land holdings & agrarian development, agricultural technology & rural crafts; and International understanding & foreign policies and scientific approach towards nation building.
